AIR FIN COOLER DIVISION

Date : 03/01/2012

WHOSOEVER IT MAY CONCERN

Dear Sir/Madam,

We, M/s.BGR energy systems Ltd like to certify that the APH tubes supplied by M/s. Pennar Industries – Hyderabad is satisfactory and there are no quality complaints.

The product supplied is Dia 31.75mm x 1.5mm x 12065 long. They have supplied as per SA 214 and we audited their process for capability for annealing, Eddy current testing, Hydro testing upto 3500PSI and found satisfactory..

They can supply Non IBR and Air-heater tubes as per desired grade and standard.

Sincerely,

Venkateshwaran – Mgr Procurement
